FLEXIROAM SIGNS WHITE LABEL RESELLER AGREEMENT WITH TELESUR

Key highlights:

- Digital communications provider Telesur has signed a white label agreement to be a reseller of Flexiroam's data plans and eSIMs
- Telesur provides customers with innovative digital communications services offering SIM cards, phones, mobile internet and international calls

Flexiroam Limited (ASX: FRX) today announced that it has signed a white label agreement with Suriname-based telecommunications solutions provider, Telesur. Under the agreement, Telesur will be a reseller, incorporating Flexiroam's eSIM and data roaming solutions into its services offering.

Telesur is Suriname's leading, full-service digital communications provider offering high quality, innovative telecommunications solutions through its extensive nationwide network. Connectivity offers SIM cards, phones, mobile internet and international calls for individuals and businesses. The partnership will see Flexiroam's eSIM and data plans sold as Telesur's branded product through its self-service portal and app. The contract has a minimum term of 1 year, with a notice period of 30 days.

Commenting on the agreement, Telesur's Managing Director, Mike Antonius said: "We are delighted to work with Flexiroam using its eSIMs and data plans to offer our customers innovative roaming services. As a trusted digital communication partner, we continuously follow the latest trends and developments in order to offer our clients the best possible services. Flexiroam's network of 520 operators globally in over 150 countries and territories will help ensure that we provide our customers with the most affordable connectivity solution while away from home."

Flexiroam CEO & Executive Director, Marc Barnett said: "We are pleased to see Telesur adding Flexiroam's products to its current range of telecommunications services. With Telesur's national presence, this provides Flexiroam with a great opportunity to increase its market share and develop our customer base in Suriname.

"Seeking out white-label partnerships globally continues to be one of Flexiroam's key priorities as we build out a strong pipeline of opportunities. We will continue to progress our growth strategy and expand our network by gaining exposure across as many different geographies as possible."
